RO C.No. 1096 K2/50 dated 19-9-1950

Sir,

SUB: Colleges--Government College, Mangalore--startin of new courses in 1951-52.

In connection with Part II of the Budget Estimate for 1951-52 I have the honour to submit for the fourable considerstion of Government the following proposals for the starting of new courses in the Government Arts College at Mangalore during 1951-52.

(i) PART II URDU IN THE INTERMEDIATE AND B.A., Course.

I submitted a proposal for the further affiliation of the College in Urdu under Part II of the Intermediate and B.A., Courses in the College as a Part II scheme for 1951-52. But the Government deferred it--vide this office letter RC.No. 730 K2/49 dated 20-9-1949 and G.O. No. 1281 Education dated 20-4-1950 . In the letter referred to I explained fully the need for providing for the courses in the College. Provision for the teaching of Urdu in the Mangalore College is likely to cater to the needs of the West coast of Madras State. I recommend that Government may kindly sanction the necessary provision with effect from the next acamedic year. There will not be any difficulty to start the classes next year. An additional room at a cost of Rs. 5000/- will be necessary in 1952-53 for which I am including the necessary provision in the Minor works Budget for 1951-52. The financial effect of the proposal is indicated below..

B | 2. Intermediate Part III Kannada. The Principal has proposed the opening of Honours Course in Kannada and also Intermediate Part III Kannada in 1951-52 . It is the policy of the University to grant affiliation for Honours Courses on Inter-College and University cooperation basis in Madras city only as it is not ordinarily possible to provide all the facilities for higher teaching elsewhere in the University area. I am submitting separately proposals for the opening of Honours Course in Kannada in the Presidency College, Madras . The opening of Honours Course in Kannada in the Presidency College will necessitated the provision for feeders for that course from the moffusil as students who take the language under Part III of the Intermediate are best suited for Honours Course in the language . It is therefore, necessary to provide for Intermediate Part III Kannada in the Government College, Mangalore as early as possible

C | This proposal involves additional accommodation of two rooms, 1 in 1951-52 and 1 in 1952-53 for which I am including provision in the Minor works budget . About 15 students may take the subject . There are at present 4 members for Kannada, 1 Lecturer, 2 Pandits and 1 Tutor. It may be possible for the existing members and the proposed Assistant Lecturers to manage the work when the senior class is opened in July 1952. This question will be examined separately and proposals submitted for any additional staff that may be found necessary. The financial effect of the proposal is indicated below:-

Explanatory Note

The Prl, Govt College Mangalore has proposed that Honours Course in Kannada may be started in the Govt College, Mangalore from the next academic year and that provision may also be made for Kannada as an optional subject under Part III of the Intermediate Course. The first

proposal is not supported as it is the policy of the University to grant affiliation for Hons Courses on Inter-Collegiate-Unity-Composition basis for institutions in the Madras City only. On that basis it has been proposed to start Hons Courses in Kannada and Malayalam in the Presy College, Madras, from the next academic year and the proposal has been included in the list of Part II Schemes for 1951-'52. However, the D.P.I. has recommended that the opening of Hons Course in Kannada in the Presy College will necessitate the provision for feeders for that Course from the mofussil as students who take the language under Part III & the Intermediate are best suited for Hons Course in that language. This Deptt therefore supports the proposal to provide for the teaching of Kannada in the Under Part III Intermediate in the Govt College, Mangalore. Finance has however suggested that the proposal may be deferred. An addl staff of one Asst Lecturer is considered necessary but this post will be sanctioned only for the 2nd yr of reception of the Course. The fee receipts will cover the addl recurring expenditure involved.

This Deptt recommends that provision may be made for the proposal in the B.E. for 1951-'52 as indicated in the Summary above.

EXPLANATORY NOTE

The Principal, Government College, Mangalore, has proposed that Honours course in Kannada may be started in the Government College, Mangalore from the next academic year and that provision may also be made for Kannada as an optional subject under Part III of the Intermediate course. The first proposal is not supported as it is the policy of the University to grant affiliation for Honours courses on Inter-Collegiate-University Co-operation basis for institutions in the Madras City only. Kannada in the Presidency College will necessitate the provision for feeders for that course from the mofussil as students who take the language under Part III of the Intermediate are best suited for Honours course in that ~~in~~ language. This Department therefore support the proposal to provide for the teaching of Kannada under Part III Intermediate in the Government College, Mangalore. An additional staff of one Assistant Lecturer is considered necessary but this post will be sanctioned only from the 2nd year of inception of the course. The fee receipts will cover the additional recurring expenditure involved.

This Department recommend that provision may be made for the proposal in the Budget Estimate for 1951-52 as indicated in the summary above.

From the DPI no. 1096 K2/50 & 19.9.50

Ctno-29102-G/50 Part II Schemes for 1951-52
Colleges - Govt College, Mangalore -
Starting of new Courses

C.f. from the DPI no. 1096-K2/50 d 19-9-50

The D.P.I has submitted proposals for starting the undermentioned new courses in the Govt Arts College, Mangalore, during 1951-52.

(i) Urdu under Part II of the Intermediate and B.A. classes;

and (ii) Kannada under Part III of the Intermediate.

2 Item (i) The proposal was considered in connection with the Part II Schemes for 1950-51 and deferred. An additional room at a cost of Rs. 5,000 (Rupees) H/29 Cf is said to be necessary in 1951-52 for starting the course. The p 1 Cf is said to be necessary in 1952-53. The p-3 Cf ultimate cost involved is Rs. 5,400 per annum. There will be no fee income as the Course is proposed under Part II

It may be stated here that the Govt have discontinued provision for Urdu in the Intermediate classes in the Govt Brennen College, Tellicherry, as the strength & the classes was uneconomic and have not agreed to provide for the language in the B.A. classes as sufficient number of students was not expected. In the Govt College, Mangalore, the D.P.I expects 10 students in each of the Inter and B.A Junior classes, whereas under the instructions issued by the Govt in the matter, ordinarily no new language class is to be started under Part II of a strength of 25 cannot be expected. for the orders whether

If not put up

H-/17 Cf (Rupees)

the proposal may be ~~neg~~ deferred.

Item (11) Kannada under Part III, Intermediate

The Govt recently suggested to the University that permission might be granted to start Hons Courses in Malayalam and Kannada in the Govt Victoria College, Palghat and in the Govt College, Mangalore, respectively as they were of the view that these courses would thrive better in regions where they were the spoken languages. The Univ, while appreciating this view, however, decided that Hons Courses in languages should be conducted on an inter-College - University - Corporation basis and that for a period of 5 yrs, Hons Courses in these two languages might be conducted in any of the Colleges in the City. Accordingly, proposals are under consideration as a Part II Scheme for 1951-'52, to start Hons Courses in Malayalam and Kannada in the Presy College, Madras. ~~for the ensuing~~

The D.P.I states that the opening of Hons Course in Kannada in the Presy College will necessitate the provision for feeders for that Course from the mofussil as students who take that language under Part III & the Intermediate are least suited for Hons Course in the language and that it is therefore necessary to provide for Intermediate Part III Kannada in the Govt College, Mangalore, as early as possible. There is some force in this argument. It is expected that 15 students may take the subject, ~~subject~~ and the number suggested by the Govt for starting new language Courses under Part III is 12. p 3 Cf

The ultimate cost involved in the proposal is Rs. 3,100 per annum ~~and~~ but a fee p 3 Cf

Part I

E III

5 of income of Rs 3,240 per annum is expected. The proposal also involves additional accommodation of 2 rooms, 1 in 1951-52 and the other in 1952-53. The work will come under the "Minor works". The D.P.I has not furnished the cost involved.

3 cf

The proposal seems to be a desirable and necessary one, and may be supported for consideration as a Part II Scheme for 1951-52.

The remarks of Fin may be invited thereon before circulation.

Part II Scheme for 1951-52

The following proposals have been submitted by the D.P.I. for consideration as a Part II Scheme for 1951-52:-

(i) The Govt College, Mangalore may be affiliated in Urdu under Part II of the Intermediate and B.A Courses

(ii) Provision may be made in the same College for the study of Kannada under Part III of the Intermediate.

B' anp 2 cf

Proposal (i) was considered last year also in connection with the proposals submitted by the D.P.I. for the expansion of the College, and it was ordered to be deferred. For the reasons stated at 'A' anp 1 above, Edn consider that the proposal may be deferred. Finance may agree.

2. The Kannada course has been sugge-

to be provided under Part III of the Intermediate mainly for the reason that it will be a feeder for the Kannada Honours Course proposed to be instituted in the Presidency College, Madras. This involves additional accommodation of two rooms, one in 1951-52 requiring for which is the other in 1952-53. The ultimate cost involved is Rs ~~2,100~~ 3,100 per annum recurring, and the fee income expected is Rs 3240/-. One Assistant Lecturer on Rs 150-250 is proposed to be appointed.

2. There is no certainty that the Govt will finally accept the D.P.I's proposal to start Honours Courses in the Presidency College, Madras. Even apart from this, the real test is whether there is a local demand for the institution of such a course. The D.P.I. has not mentioned anything about this. In any case, the proposal does not seem to be urgent or essential for being treated as a Part II Scheme for 1951-52. Finance may therefore suggest that the proposal may be deferred.

This should be suggested that it can be deferred

The DPI has submitted the following proposals for consideration as a Part II Scheme for 1951-52

(i) The Canara College, Mangalore, may be affiliated in Urdu under Part II of the Intermediate and B.A. Courses;

(ii) Provision may be made in the same College for Kannada under Part III of the Intermediate.

This Deptt suggested that item (i) might be deferred. Finance agree. This Deptt supported item (ii) being considered as a Part II Scheme for 1951-52. Finance suggest that it may also be deferred.

It has since been agreed by H.M(Edl) and H.M(Fin) that the proposal to start Honours Course in Kannada and Malayalam in the Presy College, Madras, may be considered as a Part II Scheme for 1951-52. This Deptt may therefore suggest that item (ii) also may go forward as Part II. The suggestion of Finance that the addl staff proposed, viz, 1 Asst Lecturer need not be appointed only from the 2nd yr of the Course, may be accepted.

Note of Edn. on p. 2 above may be perused.

While examining the proposals of the DPI in Nov. 50 for the starting of the new Courses in the Govt. College Mangalore in connection with the part II scheme for 1951-2, the deptt. suggested that the addl. Asst. lecturer proposed by the DPI for the teaching of Kannada need be appointed only from the second year of the inception of the Course, on the ground that there are the members for the teaching of Kannada. Viz. 1 lecturer 2 Pandits and one Tutor. and the suggestion of the deptt. was then agreed to in Edn. Now the DPI considers that the post of the Asst. lecturer is absolutely necessary from 1951-2 in the College. Edn. have agreed to the proposal. In the circumstances the deptt. may also agree to the proposal and accept the draft as on p. 1 above.

I request the favour of immediate orders sanctioning the post of Assistant Lecturer in Kannada with effect from the current academic year. It is reported that so far 17 students have been admitted for Part III Kannada and the class work is held up for want of an additional Assistant Lecturer on the staff.

Yours faithfully,

For Director of Public Instruction.
